

EDUCATION ENTHUSIASTS OFFER SCHOLARSHIP

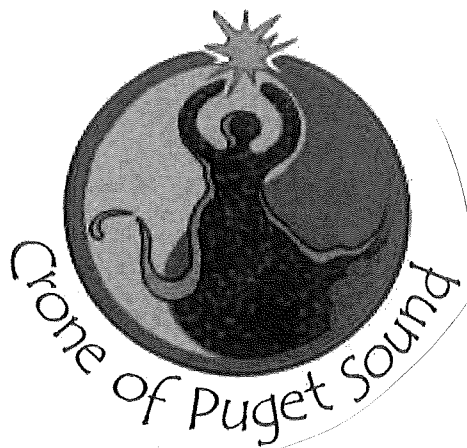

Crone of Puget Sound, an organization providing older women the opportunity for continued growth and validation in a supportive, non-competitive atmosphere, is offering a scholarship of \$1,200.00 to a woman of 40 years or older enrolled at North Seattle College.

“We realize our contribution is a modest one, but it might provide a jump start for a woman striving to achieve financial independence through education and training and we want to participate in the process” said a Scholarship Committee member.

Crone encourages, supports and informs older women about possibilities, opportunities and adventures as they age, provides a way to join a widening circle of friends and supports the visibility and activism of older women in the community (our motto: women growing older with power, passion and purpose).
