February 12, 2016

Attendance: Andrew Dean, Erik Tysinger, Jeffrey Vasquez, Matthew BeRoth, Marlon Do Couto, Janet Hoppe-Leonard.

- UTF hearings have finished and voting has started. Next Wednesday, February 17, Student Fee Board (SF) is expected to vote in the larger requests and finish up the process. After that, SF will start to review S&A fees.
- VSA Lunar New Year happened on Friday, February 12th.
- Japanafire has been planning an event which will likely be in collaboration with Student Leadership.
- Accreditation is coming up to North Seattle. Student Leaders should be expected to know about the process of accreditation. Visits will happen from April 20th – April 22nd and we should be gathering a group of students not involved with Student Leadership for the accreditation officials to meet. Each of us should be up to date with the Accreditation Presentation prepared by Jack Bautsch and give those presentations to our boards. A recap or game might be done at the All Student Leadership meeting to check if everybody is knowledgeable about the topic.
- CAB will start tabling for the All-Gender Bathrooms Initiative next week at the Grove.
