

Interested in AVIONICS?

Avionics Technicians install, inspect, test, adjust, or repair avionics equipment, such as radar, radio, navigation, and missile control systems in aircraft or space vehicles. **North Seattle College** offers two certificates specifically for this sector:

[AVIATION ELECTRONICS I: Wire Assembly](#)

[AVIATION ELECTRONICS II: Electronics Technician](#)

Pacific Associates is a partner in the Seattle Jobs Initiative Career Pathways Program, which supports Seattle residents in training programs at local colleges and in starting new careers in Manufacturing, Aerospace, Logistics and Automotive fields. Students enrolled in our program are eligible for help with:

- College and career navigation
