- I. Call to order
 - a. Sarah Baker called the regular meeting of SAC to order at 3:05pm
- II. Christoph
 - a. Christoph from Sustainability came to talk with SAC about a district-wide initiative surrounding ORCA card affordability for students. Students at Central have been working on a letter to go to state officials which they would like North to sign on to. Christoph also met with Deborah Juarez, District 5 councilwoman, and she was supportive of the letter with the caveat that we should simply make the ask for additional funds rather than asking for a study to be done on the impact. The deadline for the letter is the 29th of this month. Christoph will ask Central about making changes and then get back to us about what those look like
- III. Clubs
 - a. Eric will be hosting a club leader meeting on 4/7 in the Grove Seminar room from 2-3pm
 - b. The club fair will be held on 4/13 from 11-1 – there may be laser tag that same day which would be hosted by funtivities and other clubs
- IV. EB
 - a. PI day will be Monday
 - b. Annmarie will be taking over Casey's position once he leaves for Western
- V. Adjournment
 - a. Sarah adjourned the meeting at 3:35pm
